

GRUPO PALMADERA S.A.

ARQUITECTURA TROPICAL

HISTORY

- Founded in Nov. 2011 - Fusion of three businesses:
 - Maderas Inmunizadas S.A. (Founded in 2005)
 - Pencatec S.A. (Founded in 2007)
 - Palmex Panama S.A. (Founded in 2009)
- Grouping of wood, synthetic thatch and construction
- 2013: Sales and installation of synthetic floors and decks
- 2014: Distribution laminated beams from UTS
- 2015: Sales and construction of pools

Our Mission

"We are dedicated to the commercialization, sales and installation of innovative, ecological and durable products for modern tropical architecture and construction and for the creation of social and recreational areas."

TROPICAL ARCHITECTURE

- **We offer a complete range of products for tropical projects:**
 - Wood houses
 - Decks & pergolas
 - Gazebos & parasols
 - Pools and aquatic parks
 - Children's playgrounds
 - Garden accessories

TREATED WOOD (PINE)

- **We are the only certified wood treatment plant in Panama:**
 - Vaccu-pressure process
 - MicroPro or CCA treatment
 - We use a higher concentration than the industry standards in order to offer you a 20 year warranty despite Panama's climate and termite populations
- We offer round logs and dimensional lumber up to 14" x 14" x 40'

SYNTHETIC THATCH

- We are the exclusive distributors of Palmex (a Canadian product) synthetic thatch in Panama
- A top quality product with 20 years of warranty
- Requires zero maintenance
- Lifecycle of 40-50 years
- Available with Class A Fire Retardant
- Good for houses, cabins, gazebos, palaces, parasols, etc.

POOLS & AQUATIC PARKS

- Pools by GEOPools
